APPENDICES

President's Report MLTAQ Sunshine Coast Branch for 2023 by Alison Law

Thank you to all members for your support during 2022. Special thanks to our Branch Executive – Tammy, Katrina, Peter, Amanda and Courtney – without this strong Executive team our branch would simply not survive! Active members hold up this executive team – so I extend my sincere thanks to all the members who reply to our emails, enter competitions, volunteer at events, go to conferences and attend meetings.

ENGAGEMENT

Entries in the Poster, Writing and Christmas Card competitions were varied and wonderful! Thank you to those teachers who got involved. These competitions are designed to encourage students to use Language in meaningful and creative ways. The judges endeavour to award prizes to students from as many different schools across our region as possible, so that teachers can take these results back to their school community to promote and celebrate their students and Language program.

In 2022 the MLTAQ launched a new website following extensive consultation. I took on the role of Webmaster in 2022 to learn the ways of this new website and I was pleasantly surprised to find that it is very easy to use! Loading content and posting new information is quick and easy. I find the website easy to navigate as a user too. Courtney, Katrina and I look forward using the website to collect payment for the Speech Contest in 2023.

The inaugural SOL (Spotlight on Languages) Film Festival was a wonderful success! A huge congratulations to Meg Cleyne and her fabulous team at St Andrew's Anglican College. Our Branch donated two trophies which were received with great pomp and ceremony at the Award Ceremony. Watch the website for more information about the festival this year, and start getting your films ready!

EVENTS

Wasn't it brilliant to see the return of the Speech Contest in 2022? I found it heart-warming to witness so many students and their families enjoying the event, and to see so many MLTAQ members joining together to ensure its success. Ostensibly this is contest for students, but our members know it's really just a brilliant networking event – a time to connect and enjoy with fellow Language professionals.

Thank you again to Courtney Smith for the many, many hours that she puts into the coordination of the Speech Contest. Thank you to the Language Convenors and other volunteers for bringing it all together with such professionalism.

I was sorry to have missed our Branch Christmas party at the end of last year. I really enjoyed the other opportunities that we made to connect socially in 2022, and I look forward to many more in this new year.
